I (have) [Redd-it][Re[a]d it]...LeTrie[s]e... CONFERENCE notes and[then] lulled us off [to][...] sleep. The COLORS show... red sticky notes in mailboxes, PoP. Still[-]sounds stick like raindrops to pidgeon shit. Almost full circle, a "c" not s, just hobo to hobo. I have fobo when it comes to spelling so I exist in flickers or a glitch. A momentary twitch.

Torrets(sp?) on my dad's side, always a fear. Please excuse [my dear aunt] Sally... no... wait snoozing[Susan]. Red headed bitch ellipses  
 Simply exist. Its just me and LeTriece and a sticky icky Ravyn, in her red winged version.

Subject: For the Muddle?

Red red red colors of red  
A girl who composes in poems and notates with verse  
The color red is here  
Stilted and hot after the mellow indigo  
The fans is blowing cold  
Over the top of frigid skin  
A word that took too long to write  
To get right to write  
But cold arcs into the skin  
Wonders about numb ankles and then  
Asks about the squishing, jangling sounds outside  
Human interaction or rain?  
Dark secrets will manifest that weather history  
Slap slap slapping slap and an exclamation  
Steps of a voice tumble down  
The mustard yellow of clenching teeth  
Too dry, they are too dry.  
Oscillating faces between desire and revulsion  
A duel in which the improvisations are sirens in the ears  
The flash of a national tragedy  
The fractured mind assesses the risk  
Before the fire from the sky rains down this place will perish due to the creature  
In the cold of that lake  
A blanket needs to exist more  
On these cold arms
